AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

Claims 1-14 (canceled).

15. (currently amended): Apparatus for [holding] mounting a cell phone [having first and second surfaces] on a vehicle dashboard having top and front surfaces, said apparatus comprising:

a frame adapted to hold a cell phone [in an up-right position], said cell phone having a camera incorporated therein;

[a first power source outlet formed within said top surface of said dashboard;]

means for adjusting the angular position of said frame whereby said [front surface of said] cell phone camera can be positioned to face the interior of said vehicle;
and

means for connecting said cell phone to a [said first power] source of power [outlet].

24. (new) A device for adjustably holding a cell phone having a camera incorporated therein on a vehicle dashboard, means for adjusting the angular position of said cell phone whereby said camera is positioned to face the interior of said vehicle, the top of said vehicle dashboard having a power source outlet formed therein, said vehicle having a battery, said battery being coupled to said power source outlet, whereby said vehicle battery provides power to said cell phone.

25. (new) The device of claim 24 wherein said cell phone is held on the top of said dashboard.

26. (new) The device of claim 24 wherein said cell phone is held in a compartment formed in said dashboard.
